Sustainable and Efficient Air Transport - Platform for Linked Analysis  
of the North Sea Air Transport Environment

European Community  
European Regional  
Development Fund

Interreg North Sea Region

# Resolution to the Commission of the European Union, DG TREN, May 14th, 2004

## Annex 2

### SEAPLANE PROJECT RESOLUTION

#### PARTNER'S LETTER OF COMMITMENT

Having become a Partner of the SEAPLANE Project executed under the objectives of the Interreg III B North Sea Region Programme and being acquainted with the SEAPLANE Resolution, dated May 14<sup>th</sup>, 2004, we the

---

(Regional Authority, constituting a SEAPLANE Partner)

confirm that we are committed to the contents of the resolution to call upon the Commission of the European Union to establish policies in form of appropriate legal frameworks, setting regulations and supporting airport capacity building for continuity of regional air services to improve social and economic cohesion of and accessibility to peripheral regions in the European Union.

Yours faithfully
